## Declaration regarding Bisphenol A, Latex, BSE, ADI, TSE, Phthalates, Melamine and Cyanuric Acid

M Seals hereby declares that no Bisphenol A, Phthalates, Latex, Melamine or cyanuric Acid is used in the process of manufacturing of our products and are not to be expected found in the following products:

*O-rings and other sealing parts in NBR, FPM, VMQ, EPDM, CR, PU and Kalrez*

*O-rings and other sealing parts in PTFE (virgin compounds) and FEP*

We hereby also certify that seals and gaskets supplied by M-Seals are solely made from synthetic materials, and no material, or substances, of animal (ADI) or plant origin are used in the production of these articles. Our products do not come in contact with animal products during storage and transportation.

Therefore these products are free from Bovine Spongiform Encephalopathy (BSE) and Transmittable spongiform encephalopathy (TSE), and are conforming to EMA/410/01-3

Signed on behalf of M Seals A/S
